

MSME TOOL ROOM, KOLKATA

(Central Tool Room & Training Centre)

Bonhooghly Industrial Area, Kolkata-700 108

Admission Announcement 2018-19

With a view to foster the growth of the SME sector in the country, MSME Tool Room, Kolkata (Central Tool Room & Training Centre), had been established under Technical Co-operation Programme between Governments of India and Denmark in the year 1978. MSME Tool Room, Kolkata provides invaluable technological support to the Industry and ensures that Tool Room technology keeps pace with the rapid growth of Industry. The growth of micro, small & medium scale sectors of industry is achieved through specialized and on job training provided by MSME Tool Room Kolkata:

Jindal Institute of Power Technology (JIPT)

Jindal Institute of Power Technology (JIPT) is recognized by Central Electricity Authority (CEA), Ministry of Power, Government of India as Category I Institute. It is a part of US\$ 18 billion O. P. Jindal Group. The Institute possesses world class Simulators of 135 MW / 250 MW / 600 MW generating units & state of the art infrastructure.

The Institute aims to produce technically trained professionals for Power Utilities in India and abroad. The course authorizes the pass outs to operate or undertake maintenance of any part or whole of a generating station of 100 MW & above capacity, together with the associated sub stations.
