

**Central Board of Irrigation & Power (CBIP)**  
**Malcha Marg, Chanakyapuri, New Delhi**  
**www.cbip.org**

**PLACEMENT ORIENTED PROGRAMME FOR ENGINEERS**  
**(JOINTLY ORGNISING BY CBIP & MSME - TOOL ROOM, KOLKATA)**

**PGDC/PDC in Distribution System & Automation (SCADA) & Civil Infrastructure Development Engineering**  
**(With Excellent placement records)**

**About CBIP:**

A prime organization established by Ministry of Water Resources in 1927 and now a registered society providing services to Indian Power, Renewable Energy & Water resources sectors. Recognized as Grade A, Category-I Training Institute by **Ministry of Power, Government of India.**

**About MSME Tool Room - Kolkata:**

MSME Tool Room Kolkata is the Leading Tool Room & Training Centre in India under the **Ministry of MSME, Government of India.** & to impact skilled based Training programme in the field of CAD/PLC/STAAD Pro etc.

**Placement Status:**

■90% -100% in last Ten batches.

**Special offer : Merit Scholarship will be offered to selected deserving candidate & economic weaker section**

**Eligibility**

**B.E/B.Tech & Diploma (EE/EEE/Civil)**

**Selection Criteria**

**Academic background (10<sup>th</sup>,12<sup>th</sup> & B.Tech Marks) & Common Entrance Test Marks**

**Spot Drive: 21<sup>st</sup> Jan 2020 Venue:- MSME Tool Room Kolkata (Bonhooghly Industrial area, Kolkata)**

**22<sup>nd</sup> Jan 2020 Venue:- Dr. B.C. Roy Engineering College Durgapur**

**Why should you Join this course (joint venture CBIP with MSME Tool Room Kolkata) ?**

- CBIP has taken this initiative to launch the 26/13 weeks Post Graduate Diploma Course in Transmission & Distribution System including Automation (SCADA) modular course following the syllabus of CEA Regulations 2010 for the fresh graduate engineers who would be groomed as per the requirement of Indian Power Industry.
- Trained about 3 lacs engineers at all levels through more than 1700 training programs.
- Already trained 368 Engineers through our 10 batches of 26 week T & D course, who are now working with pioneer companies of Power sector as our brand ambassadors.
- Hence, there is an ample scope of making a career in EPC Project, Operation & Maintenance, Testing and R&D mainly of Transmission & Distribution System of Indian Power Sector for the fresh Electrical Engineers who undertake this program.

**Course Module:**

**Electrical & Power Distribution with Automation (SCADA)**

- Sub-Station equipment, Transmission line Engineering & EHV Cables, Power & Distribution Transformers etc.
  - Distribution & Transmission line on-job operation & Maintenance. GIS in Distribution System, Visits to Manufacturing works / Testing labs etc.
  - Smart Grid, Micro Grid, SCADA, Smart Metering
  - EPC: Substation Design & Engineering
- Civil Infrastructure Development Engineering**
- Hydrological Study, Heavy earth moving equipment including TBM,
  - Concrete Technology, Structure design (Steel & Concrete) and Building, Piling & Foundation, Pre stressed Concrete & Flyover / Bridge Construction/ Road & Highway Construction
  - Software Programming in Auto CAD & STAAD-Pro, Total Station Survey, Digital Global Positioning Survey, Digital Level Survey,

**Strength of the course:**

- Highly technical applied electrical engineering course with 40% practical inputs.
- Central Electricity Authority (CEA) Approved course in Power Distribution.
- Enhance your technical knowledge and core competencies to a great extent.
- Lot of variance in faculty with rich experience and knowledge of the area of topic .

**Important Dates**

**Starting of Course: 24.02.2020**

**For further details & Registration Follow this website**

**www.cbipcoe.org**

**Our Recruiters:**

WAPCOS	Shyam Indus Ltd	KEC International	Bajaj Electricals
Power Link	Jaypee Power	Ratan India	BEDCPL
Noida Power Co. Ltd.	Toshiba	Scope TnM	GEPDEC
Skipper India Ltd.	Vijai Electricals	AIG International	Steag India
Manav Energy	Torrent Power	C&S/Balarpur Paper Mill	
Taurus Powertronics	Energ India	Power Sector Skill Council (PSSC)
